

ARE YOU A FAIRY? QUIZ

Are you part Fairy and part human? Are you a dedicated environmentalist and friend to the plants and animals? Do you feel different, like you don't fit in? I am a Certified Realm Reader and wrote this quiz for you!*

Mark YES answers. Do you:

- love fairies, gnomes, elves, mermaids & unicorns?
- have a passion for helping the environment and/or animals?
- prefer your "furry friends" (pets) to people?
- become cranky & moody if not spending enough time outside in nature?
- remember getting into trouble at school for breaking the rules?
- get comments about the "mischievous twinkle" in your eyes?
- like to party?
- love anything creative, like art and music?
- like to make people laugh (once you've gotten over your shyness)?
- look like a fairy, with reddish hair & a pale complexion? A tiny body?
- talk to trees and flowers?
- believe plants can heal us?
- buy aromatherapy oils or flower essences or herbal supplements?
- wear flower jewelry or collect flower art?
- grow an amazing garden every year?

Did you answer "yes" a lot? Then you lived a previous life as a Fairy! Now you are 1/2 human and 1/2 Fairy. It's a tough transition, from ethereal little Fairy sitting on a flower to Earthling! You may be confused and unhappy.

Let me help you by:
