

## QUIZ: ARE YOU PART ANGEL?

### Mark YES answers. Do you:

- love cutesy angel figurines and art? consider pink your favorite color?
- put other people before yourself? selflessly help anyone and everyone who crosses your path?
- refuse help from others? overburden yourself with work and family obligations, plus volunteer work?
- say "I'm sorry" a lot, afraid you've hurt someone's feelings?
- look round and soft, like you couldn't harm a fly? have a round, chubby face? shiny blonde hair?
- love chatting with friends? spend hours on the phone talking about your feelings?
- act like a social butterfly when with your own friends, but act shy and self-conscious in front of new people?
- love flying? have intense dreams about flying (you're remembering your angel wings)?
- remember being teased at school for being a goody two-shoes?
- get comments from random people like "You're such an angel!" or "You're soooo sweet!" or "That's so nice of you!"
- follow Oprah Winfrey, who is part Angel (maybe you joined her charity, The Angel Network?)

**Did you answer yes a lot?** Then you are part Angel! I am, too. But it's a tough transition from sweet little angel flying around helping people to Earthling! You may be confused and unhappy.
